Each bottle of wine reflects the Wine Club price. That is, you receive a bottle of wine that is *worth* what you are paying, not a bottle that we choose to give us the biggest profit.

Wine will be available for pick up during the first full week of the month and payment is due upon receipt of the wine. Each bottle comes in a nice gift bag and you are eligible for special monthly promotions. These promotions may be a large percentage off selected wines, discounts on purchases of accessories, free items or by invitation only wine tastings.
